

Whistle Blower Policy

1 Introduction

- 1.1 The Trust is committed to the highest possible standards of honesty, integrity and accountability and is supportive of its employees, officers, and directors in maintaining these standards. The Trust officers, directors, and members of the general public have the right to report any unethical or unlawful activities within the organization and it is the Trust's responsibility to ensure there are clear channels of communication that allow the reporting of such activities. To meet its responsibilities, the Trust has developed this Whistle Blower Policy.

2 Objectives

- 2.1 The objective of this Whistle Blower policy is to establish procedures for the confidential receipt, retention, and treatment of complaints received from officers, directors, and members of the general public regarding questionable accounting, accounting controls, auditing matters, or violations of the Trust's Code of Conduct for Directors policy or the Trust's Employee's Code of Conduct policy. This policy covers any misconduct or wrongdoing by employees, officers, and directors of the Trust.
