¹ The Province of British Columbia's Crown Agency Accountability System (CAAS) (http://www.gov.bc.ca/cas/down/crown_agencies_reader.pdf) establishes guiding principles for the governance of Crown corporations. The CAAS also identifies roles and responsibilities for the Shareholder and Crown corporations, and provides for a Shareholder's Letter of Expectations (Letter) to be jointly developed.

CORPORATION ACCOUNTABILITIES

Government has provided the following mandate direction to the Columbia Basin Trust:

- continue, in accordance with the *Columbia Basin Trust Act*, to invest and otherwise manage the Corporation's assets to create an ongoing legacy of economic, environmental and social well-being for present and future generations; and,
- seek the guidance of, and remain accountable to, the residents of the Columbia Basin through the implementation and further development of the Columbia Basin Management Plan.

In responding to government's performance expectations and the general and specific frameworks and direction of the Shareholder, the Corporation will:

- conduct its affairs to achieve its mandate and the performance expectations and objectives of the Shareholder, including establishing and implementing corporate strategies, policies, programs, plans and financial outcomes that are consistent with the Shareholder's general direction and consistent with principles of efficiency, effectiveness, and customer service;
- prepare Service Plans with clearly articulated goals, objectives, strategies and performance measures and targets, and Annual Reports that detail progress toward achieving those goals, and post both documents on its website;
- display annual Statement of Financial Information schedules prepared under the *Financial Information Act* in an easily accessible location on its website (some of this information included in Annual Reports does not need to be otherwise displayed);
- conduct its operations and financial activities in a manner consistent with the legislative, regulatory and policy framework established by the Shareholder;
- develop and implement strategies to manage risks identified in the Service Plan;
- provide the Shareholder with reports and other information that would enable the Shareholder to carry out its responsibilities;
- provide information to the Shareholder if the Corporation is unable to meet the targets identified in its Service Plan; and,
- take appropriate action to ensure that if Shareholder-directed transactions affect the Service Plan or financial targets of the Corporation, the Shareholder is informed of any impacts.

In addition, the Shareholder directs the Corporation to take the following specific actions:

- ensure that the management of investments and delivery of benefits to Basin residents are efficient and effective;
- continue to work with joint venture partner Columbia Power Corporation to reduce duplication of management effort and costs associated with the development and operation of power projects;

- ensure it does not purport to represent the Shareholder in any statements or matters of an inter-provincial, federal-provincial or international nature; and,
- directors nominated by regional districts and the tribal council pursuant to the *Columbia Basin Trust Act* will report on the Corporation's activities to their respective nominating bodies.

SHAREHOLDER'S RESPONSIBILITIES

The Shareholder has developed policies for ministries and Crown corporations for Capital Asset Management (<http://www.fin.gov.bc.ca/tbs/camf.htm>) and Board remuneration policies for Crown agencies. The Shareholder has also issued Best Practice Guidelines for board governance and disclosure to be implemented by April 2006

(<http://www.fin.gov.bc.ca/ooop/brdo/corporateguidelines.pdf>). During the term of this Letter, the Shareholder may provide policy direction to the Crown agency sector, and will communicate any such direction, including implementation expectations, to Crown corporations as decisions are made.

The Shareholder will also, on a continuing basis, monitor the achievement of the goals, objectives and targets identified in Crown corporations' Service Plans.

Specific to the Corporation, the Shareholder:

AREAS OF SHARED ACCOUNTABILITY:

Communications

It is agreed by both the Shareholder and the Corporation that, to ensure effective and efficient day-to-day communications and relationship building, officials representing both parties will be tasked with implementing the contents of this Letter and keeping the Minister Responsible and the Board of Directors informed of progress in a timely fashion.

Reporting

The Shareholder and the Corporation are committed to enhanced transparency and accountability to the public. The Shareholder has put in place a public reporting structure set out in the *Budget Transparency and Accountability Act*, the *Financial Administration Act*, and the *Financial Information Act*. The Shareholder has provided the Corporation with a reporting calendar which sets out financial and performance reporting requirements (<http://www.gov.bc.ca/cas>). The Corporation agrees that it will meet these financial and performance reporting requirements. If government determines that changes to the reporting requirements are necessary, the Shareholder will communicate these to the Corporation.

It is agreed by both the Shareholder and the Corporation that there will be advance discussion and review of key strategic documents such as Service Plans and Annual Reports. These discussions will be completed sufficiently in advance of deadlines to ensure effective and timely input by the Shareholder.

In addition to these financial and performance reporting requirements, the Corporation agrees to provide information to the Shareholder related to material risks and opportunities anticipated in achieving financial forecasts.

The Shareholder and the Corporation agree that, as a matter of course, each will advise the other in a timely manner of any issues that may materially impact the business of the Corporation or the interests of the Shareholder.

It is agreed that the Corporation will post the most recent signed copy of the Shareholder Letter of Expectations on its website. Crown Agencies Secretariat will also post a signed copy of the Letter on its website.
