</tr>
<tr>
<td>• May require some level of responsibility.</td>
<td>• Will require a moderate level of skill and responsibility.</td>
</tr>
<tr>
<td>• Provides opportunity for students to enter the workforce and gain basic skills.</td>
<td>• Provides opportunities for students to gain work experience related to their chosen field of study and/or knowledge, skills and abilities to support future career aspirations.</td>
</tr>
</tbody>
</table>

NOTE:

• The job description must clearly indicate work tasks, responsibilities and skills required.
• Duties cannot include tasks that would provide personal service to the employer such as domestic services, child care, construction/work on owner’s personal property, etc.

HOURS REQUIREMENTS

The intent of Summer Works is to provide the student with consecutive weeks of full-time employment during the school summer break to gain work experience.

Employers may schedule a student to work statutory holidays (in compliance with Labour Laws); however, Summer Works will only subsidize regular wages and hours.

NOTE:

- Under exceptional circumstance, students with disabilities or with other barriers to full-time employment may be eligible to work reduced hours. If applicable, specific circumstances must be discussed with Summer Works staff once your application has been approved and student selected.
- Once a contribution agreement is signed, the employer must commit to offering the total hours of employment being subsidized. If you are not able to commit to these hours, contact Summer Works staff immediately.

WORKSAFEBC REQUIREMENTS

You must have a WorkSafeBC account in good standing.

- If you currently have WorkSafeBC coverage, you must provide a clearance letter with your application. Get the form here.
- If you don’t have WorkSafeBC coverage, you must obtain coverage and send us proof of it before the student starts work. Register here.

How does the wage subsidy work?

WAGES

If your application is successful, you will receive a:

- $7/hour wage subsidy for entry-level jobs or
- $8/hour wage subsidy for career-related jobs.

We will then expect you to top up this wage to the market wage rate for the position. Find wage rates under Explore Careers at https://www.workbc.ca/Jobs-Careers/Explore-Careers.aspx.

Wages should be commensurate to the level of required experience. Career-related job wages should be based upon the higher level of skill, responsibility and education required to complete the work, and will likely be higher than minimum wage.

Note:

- The minimum wage is $14.60/hour effective June 1, 2020.
- The liquor-server minimum wage is $13.95/hour effective June 1, 2020.

Information regarding BC Minimum Wages and other BC Employment standards can be found at https://www2.gov.bc.ca/gov/content/employment-business/employment-standards-advice/employment-standards
MANADATORY EMPLOYMENT-RELATED COSTS

Mandatory Employment-Related Costs (MERCs) include Employment Insurance, Canada Pension Plan, WorkSafeBC and 4% vacation pay.

As the Canada Pension Plan is not required to be paid until the age of 18, you will receive:
- 7% MERCs reimbursement for a student under 18 and
- 12% for a student 18 and older.

If you receive a subsidy, we will reimburse you for these costs, calculated as part of the final claim process. They will be based on the total wage subsidy claimed, not the total wage you paid.

For example, if you pay a wage of $15.00/hour you will be reimbursed for costs calculated against an $8 or $7 wage subsidy. You are responsible for additional costs related to the wage top-up.

FINANCIAL CLAIMS, PAYMENTS AND MONITORING

If your application is successful you must submit a claim at the end of the employment period. If your contribution agreement is more than 8 weeks in duration, you may submit an interim reimbursement claim after week 7 of the employment contract.

Note:
- We will not issue advance payments.
- We will monitor you through an onsite visit, and base financial reimbursements on satisfactory reporting requirements.

If your application is successful, we will provide you with further details on claims, payment and reporting processes.

How do I apply?

Summer Works opens on February 13, 2020, at 1:00 p.m. PT/2:00 p.m. MT. The online application form will be posted on this date and time.

Applications are accepted on a first-received, first-served basis and are assessed as they come in and continue until all funding for Summer Works has been committed.

All applications must be submitted through our online application portal. Detailed instructions will be posted on the Trust’s website when Summer Works applications open.

- If your application requires clarification or further information, we will not consider it “received” until you have provided all required information.
- You will receive an e-mail confirming the receipt of your application from the Summer Works staff.
To be successful, you must:

- Meet all eligibility requirements, as outlined above.
- Provide a safe and supervised employment environment.
- Provide entry-level or career-related work experience that will enhance the student’s skills;
- Pay a market wage rate.
- Commit and be accountable to the terms of the Summer Works contribution agreement.

When will I know if my application has been approved?

You will receive an e-mail confirming approval/decline of your application approximately 10 business days following the receipt of your completed application.

Note:

- College of the Rockies, Columbia Basin Trust and their agents shall not be obligated in any manner to any applicant whatsoever.
- College of the Rockies and Columbia Basin Trust reserve the right to fund all or none of any application submitted.
- If your application is successful, you must enter into a contribution agreement with College of the Rockies and commit to offering the total hours of employment being subsidized.
- College of the Rockies is required by the Trust to complete a search at BC Corporate Registry.
- Registered companies are required to be in good standing with BC Corporate Registry.

Reminders:

- Don’t wait to apply! Summer Works funding is in high demand and the funds are often committed shortly after applications are made available.
- We assess the applications as they come in and continue until all funding for Summer Works has been committed.
- Be clear and succinct and use point form where appropriate in the application process.
- Be thorough and complete the application in full; incomplete applications will not be processed.
- Don’t forget to upload an electronic copy your WorkSafeBC Compliance Letter with your online application (unless not yet covered by WorkSafeBC).
