

OUTDOOR ACTIVE RECREATION GRANTS, FALL 2021 LIST OF PROJECTS APPROVED FOR FUNDING

These grants support community efforts to create low barrier, outdoor recreational opportunities that encourage residents to live more active, healthy lifestyles.

Community	Organization	Project Name	Description	Amount
Argenta	Argenta Community Association	Argenta Playground	Repair and relocate existing playground infrastructure and key elements such as swings, obstacles and geodesic domes, increasing usability for a broader age range and making the playground functional year-round.	\$57,000
Beaver Valley	Regional District of Kootenay Boundary	Beaver Valley Pickleball Court	Create new pickleball courts at Beaver Valley Family Park.	\$34,500
Canyon	Canyon Community Association	Canyon Community Park Playground	Replace an aged playground with an adventure playground, including an off-season accessible pit toilet and various upgrades to outdoor amenities.	\$22,500
Elkford	District of Elkford	Elkford Courts	Resurface the tennis courts and make upgrades to allow for multi-sport use.	\$75,000
Elkford	District of Elkford	Elkford Bike and Skills Park	Provide a space for bicycles, scooters, rollerblades, skateboards and other equipment by re-grading, removing trees, shaping the earth for jumps, placing natural rock features for balance/navigation and grading/paving the pump track area.	\$250,000
Golden	Town of Golden	Golden Freeride Park	Expand the skate park, enhancing it for a broader range of demographics, skill levels and wheeled users.	\$151,500
Johnsons Landing	Johnsons Landing Community Association	Johnsons Landing Hall Playground	Expand and improve the existing natural playground area by adding interesting and engaging features such as kinetic play structures, a basket swing, a climbing net and a balance beam.	\$12,500
Kaslo	Kaslo Baseball and Softball Association	Kaslo Baseball and Softball Field Fencing	Fence the existing ball diamond at Murray Pearson Memorial Ball Park to provide a safer environment for players and neighbours.	\$11,250
Kaslo	Kaslo Outdoor Recreation and Trails Society	All Yew Need Disc Golf	Enhance an existing popular disc golf course by adding permanent target baskets, tee boxes and signage.	\$15,000

Kimberley	City of Kimberley	Swan Avenue Park Adventure Playground	Create an inclusive, accessible and intergenerational adventure park with a zip line, climbing structures, nature exploration, a picnic space, pathways and a gazebo.	\$99,000
Nakusp	Nakusp and Area Bike Society	Nakusp Pump Track and Skills Park	Expand the bike skills park at Mt. Abriel Recreation Area by constructing a 200- to 300-metre dirt pump track, a mulch jump and technical features.	\$35,500
Nakusp	Village of Nakusp	Nakusp Natural Adventure Park Phase Two	Build the second phase of a natural adventure playground that will comprise play elements for children aged 18 months to 12 years.	\$180,000
New Denver	Village of New Denver	New Denver All-wheels Park	Create an outdoor, multi-use recreational facility to allow riders of all ages and abilities to lap their bikes, adaptive wheelchairs, scooters and skateboards around an asphalt-capped pump-track course and terrain features.	\$120,000
Salmo	Regional District of Central Kootenay	Salmo Outdoor Pool	Support phase one, including replacing heating and sanitization equipment and the mechanical room.	\$150,000
Slocan	Village of Slocan	Village of Slocan Multi-sport Court	Create an accessible multi-sport court that will revitalize a well-used, aged, fractured concrete surface for activities like pickleball, basketball, tennis, ball hockey and ice hockey.	\$208,500
Slocan Park	Slocan Park Community Hall Society	Slocan Park Community Hall Development	Upgrade the multi-purpose sports field by levelling the outfield and acquiring an ice rink liner.	\$19,000
Trail	City of Trail	Reg Stone (Tadanac) Playground	Replace the current pea gravel surface with a rubberized surface to enhance safety.	\$25,000
Warfield	Village of Warfield	Warfield Disc Golf Course	Design and build a nine-hole disc golf course to allow residents of all ages to participate in an outdoor activity within their own community.	\$6,800
TOTAL				\$1,473,050
