Practicum hours, courses not successfully completed, or courses already started/completed prior to grant approval are not eligible.

You will be contacted by email at the address provided in the application form to confirm if the application has been approved for funding.

If your application requires clarification or further information, it may take longer to evaluate.

To finalize funding, approved Employers will sign a Contribution Agreement with College of the Rockies in which they will commit to maintaining proof of the Employee's successful course completion and submit this information to the College if requested.

What else to keep in mind?

Even if an application meets eligibility criteria, it may not be selected for funding as we often receive more requests for funding than what is available, and applications are assessed as they come in. The Trust retains the right to determine eligibility and the amount of funding allocated.
