

These board highlights provide a general overview of discussion items and major decisions made at the Board of Directors meeting on **September 18/19, 2020**, which was held in Castlegar, BC. It excludes confidential information such as business negotiations, personnel issues and legal matters.

- Based on engagement with and input received from over 700 Basin residents, the Trust has updated its Columbia Basin Management Plan – Strategic Priorities for 2020 to 2022. This plan was approved by the Trust Board and will guide the Trust’s activities for the next two years. Due to the current provincial election, the Trust has had to postpone the release of the plan until later this fall. It will be located here: [ourtrust.org/priorities](https://ourtrust.org/priorities).

The Trust will undertake a more fulsome engagement process to renew the Trust’s strategic priorities on a longer-term basis in late 2021 or early 2022.

- Due to Public Health Authority restrictions on public event gatherings, the Trust hosted its Annual General Meeting (AGM) virtually on September 18, 2020 at 4:00 pm (PT). The Trust provided highlights from the previous year. The AGM presentation can be viewed at [ourtrust.org/agm](https://ourtrust.org/agm).
